Math for Standards

Name _____

Date _____

Fill in the information that you think you know. Try to put in an answer for each of these terms.

Absolute Value

Altitude (of a triangle)

Analytic Geometry

Angle Bisector

Arc

Binomial

Central Angle (of a circle)

Central Angle (of a polygon)

Circumscribed Polygon

Dependent Events

Direct Proportion

Exponential Function

Inscribed Angle

Inscribed Polygon

Interquartile Range

Inverse Proportion

Irrational Number

Line of Best Fit (regression line)

Median

Midpoint

Monomial

Odds

Outlier

Polynomial

Quadratic Function

Rational Number

Real Number

Secant (of a circle)

Semicircle

Slope

Tangent (of a circle)

Trinomial
